Subject: Up to £30k for Community Sustainability Projects in Montgomeryshire

Some people who received this message don't often get email from marketing@severnwye.org.uk. Learn why this is important

Good Afternoon,

We're pleased to announce that Round 3 of the Windfall funding scheme is now open for applications!

This is a fantastic opportunity for community groups in the Carno, Caersws, Trefeglwys, Dwyriw, Llanbrynmair and Llanerfyl community council areas to apply for grants of up to £30,000 to support local sustainability initiatives.

What can Windfall grants fund?

Windfall grants can cover up to 100% of eligible project costs. The scheme particularly supports projects in the following areas:

- Renewable energy generation
- Energy efficiency and demand-reduction measures
- Low-carbon, shared, community and active travel initiatives
- Educational activities promoting sustainable development

Previous recipients have included village halls, sports clubs, community energy cooperatives, training organisations and local climate action groups.

Key dates:

- Application deadline: 20 October 2025
- Funding decisions announced: Week commencing 24 November 2025

How to apply:

Full guidance and application forms are available at: www.windfall.wales

For any questions about the scheme or help with your application, please email: grants@windfall.wales

Please share this opportunity within your networks and local communities – let's help bring more sustainable projects to life in Montgomeryshire!

Kind regards,

Ali Howes (she/her)
