

Trefeglwys Memorial Hall Donations

The Hall provides facilities for community members of all ages, from mothers and their babies and toddlers, staff and pupils at Ysgol Dyffryn Trannon and the Young Farmers Club to the local WI and luncheon club members. The Hall is a venue for keep fit, yoga and badminton sessions and the annual Eisteddfod.

Social, cultural and fundraising events are regularly hosted by the Hall which also insures and maintains the playground area.

As a testament to how highly the community value the Hall, a number of volunteers turn up weekly to clean the building and are joined by a wider group of volunteers each month to carry out maintenance work inside and in the grounds of the building. They have made the outside areas very attractive and welcoming.

The running costs of the Hall are covered by fees from bookings (including 4 weddings for 2026) and donations. Trefeglwys Community Council has made an annual donation from the Carno Windfarm Fund for many years. In 2025-6 the Council was pleased to be able to donate £2,000 to cover the increasing costs of insurance and heating to make sure that the Trefeglwys Memorial Hall continues to provide a hub for the community.
